Helen is \_\_\_\_\_ (1), she felt extremely \_\_\_\_\_ (2) to tell her mother the situation. Her boyfriend David is \_\_\_\_\_ (3) the pregnancy courses with Helen. Helen's mother does not know yet about her new state. She tried to read some books about pregnancy in the \_\_\_\_\_ (4), but it was impossible to find available books at that moment. So she had to buy a good one in a \_\_\_\_\_ (5).

Some \_\_\_\_\_ (6) in TV tell parents about the dangers babies can have during the first months. Helen is worried because she has not idea about \_\_\_\_\_ (7) a little baby and she does not feel prepared to tell her mother she is pregnant. As a result she perceives the situation a little difficult. She does not have enough money, she has thought about sewing some dresses by herself, she has seen some \_\_\_\_\_ (8) with beautiful prints, and a friend mention that she could go to the \_\_\_\_\_ (9) where clothes for babies are made and there she could find cheap dresses.

She was walking along the street when she saw a \_\_\_\_\_ - (10) in a restaurant for a waitress, she considered to take the job but at the same time she did not believe they were going to hire a pregnant girl, on the other hand, she listened in the TV \_\_\_\_\_ (11) that women were exposed to some risks when they have to work being pregnant.

Helen knows she cannot hide for a long time the baby, and her mother is going to \_\_\_\_\_ (12) any moment. Her \_\_\_\_\_ (13) are going to feel disappointed, especially her father who has worked so hard to give Helen what she needs. Helen has something very clear, and having a baby is not going to stop her dreams, she will have \_\_\_\_\_ (14) in whatever she does. And this \_\_\_\_\_ (15) cannot be a tragedy, but a learning for the rest of her life.
