Hello Ellie,

How's it going? Life in Australia is very different from life back home in the UK, but I really like it here. My flat is in the centre of Sydney, but it's in a really nice neighbourhood. I can walk to work in the morning because the office isn't far. I sometimes get up late and I take the bus. There is a nice park near me, so I go running there on Sundays.

My job is often boring, but I really like my colleagues. We go for lunch every day. We usually go to an Italian restaurant, and on Fridays after work we usually go to the cinema together. Sydney's a great city and there are lots of things to do here.

So, tell me all your news.
