

Track "REO Speedwagon"

on Bandsintown

There was a time some time [redacted]
When every [redacted] meant a sunny day, oh a sunny day
But now when the morning light [redacted] in
It only disturbs the [redacted] where I lay, oh where I lay
I used to thank the [redacted] when I'd wake
For life and love and the [redacted] sky above me
But now I pray the stars will go on shinin', you see in my dreams you love me
[redacted] is a joyful time

daybreak

Just listen to the song bird harmonies, oh the harmonies
But I wish the [redacted] would never come
I wish there was [redacted] in the trees, oh the trees
If only I could stay asleep, at least I could [redacted] you're thinkin' of me
'Cause night time is the one time I am happy, you see in my dreams

silence

suddenly

We climb and climb and at the top we fly
Let the world go on below us, we are lost in time
And I don't know really what it means
All I know is that you love me, in my dreams

sunrise

pretend

I keep hopin' one day I'll [redacted], and somehow she'll be lying by my side
And as I [redacted] if the dawn is really breakin'
She touches me and [redacted] I'm alive

lord

dawn

wonder

We climb and climb and at the top we fly
Let the world go on below us, we are lost in time
And I don't know really what it means
All I know is that you love me, in my dreams
