# Let's practice zero conditional!

1) Choose the correct words.

    a) When it's really cold, water **turns / turn** to ice.

    b) If animals don't get enough water, they **die / are dying**.

    c) Trees fall down if a tornado **developed / develops**.

    d) If there **is / was** a forest fire, it spreads very quickly.

    e) If there isn't enough rain, plants **don't grow / aren't growing**.

    f) People and animals **feel / felt** cold when the temperature falls.

2) Match the sentence halves.

If there's a snowstorm,	when it gets too warm.
When there's too much rain,	when the earth's surface moves suddenly
The ice melts in the Arctic	there's an icy wind and lots of snow.
You feel cold	if the temperature falls.
If there's a strong wind,	there are floods in our village.
There are earthquakes	forest fires spread quickly.

LIVEWORKSHEETS

3) Write sentences. Use the zero conditional.
