

## Aquatic Ecosystems

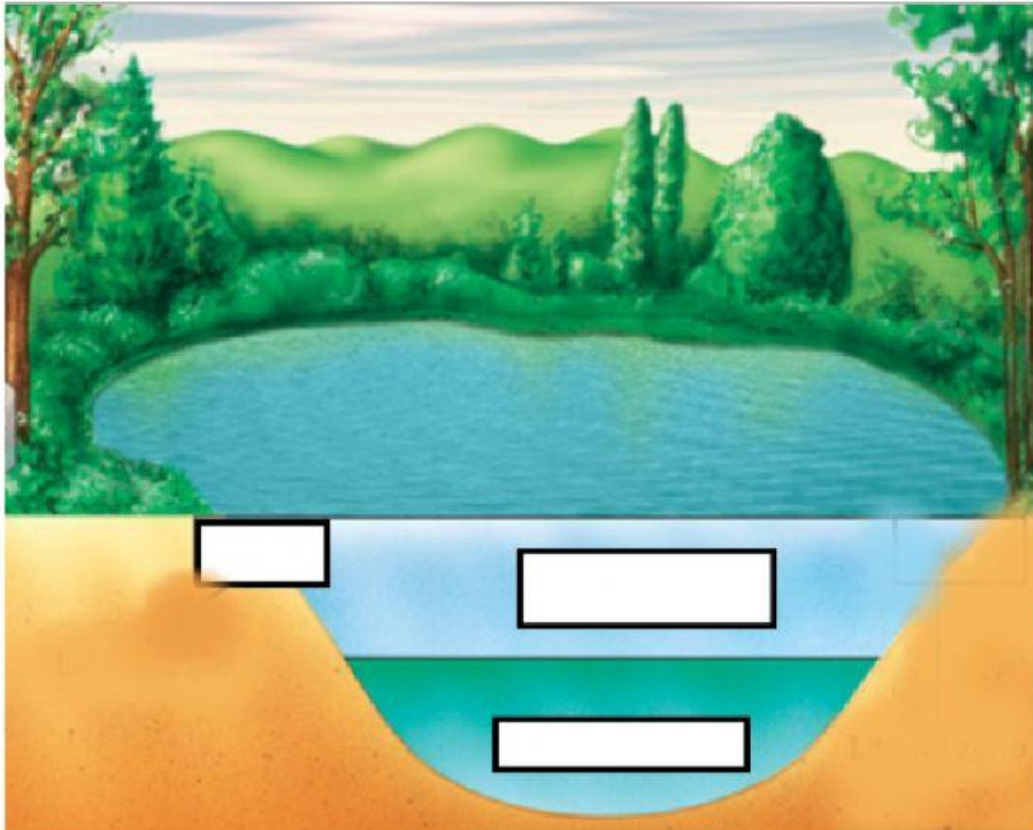

### Lake Zones:

*Drag and drop the following terms into the correct area of the lake:*

Limnetic zone

Profundal Zone

Littoral zone

Which lake zone receives the least amount of sunlight and thus the least amount of plant growth? \_\_\_\_\_

## Seasonal Changes to Lakes/Lake Turnover

Match the terms below to the lake diagrams:

Summer/Winter

Spring/Fall

Epilimnion

Thermocline

Hypolimnion
