

WINTER HOLIDAYS!

Read this letter from Max to his friend Sammy

Dear Sammy,

The Winter holidays are over and I can't wait to go back to school and talk to you about it!

I did many interesting activities during the holidays, but what I enjoyed the most was visiting an ancient glass workshop!

The workshop was small but beautiful and there were a lot of objects made of glass. Some were old, some were new, some were colourful and some others transparent, but they all looked really good.

The people working there were very kind and there was a glassblower who patiently explained the process of glass making to us. So interesting!!

I loved the visit to the workshop so much that I want to go back there next Summer holidays!

Maybe you can come with me so you can learn some more about it. What do you think?!

Anyway, that's all for now. I'll tell you more about my holidays tomorrow at school. Oh, and I want you to tell me about your holidays, too!

See you there!

Love,

Max
