RESPONSIBLE CONSUMPTION

1

After reading decide if the statements are (T) true or (F) false.

Statement	True	False
Our planet doesn't have any problems (Nuestro planeta no tiene problemas)		
Every year is produced 2 thousand tons of waste (Cada año se producen 2 mil toneladas de residuos)		
People throw away stuff within 6 months (Las personas tiran cosas cada 6 meses)		
Responsible consumption isn't needed for the conservation of the environment (No se necesita un consumo responsable para la conservación del medio ambiente)
