

GLI SCHIERAMENTI

- 1 Scrivi nelle caselle il numero dei disegni di ogni riga e di ogni colonna. Completa, poi, le due addizioni e le due moltiplicazioni.

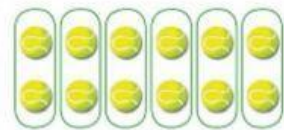

$$\square \times \square = \square$$

Numero colonne

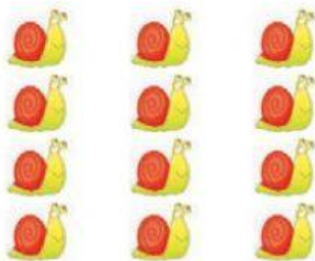

4 dinosauri in ogni colonna
ripetuti per 3 colonne

Operazione: $\square \times \square = \square$

Numero colonne

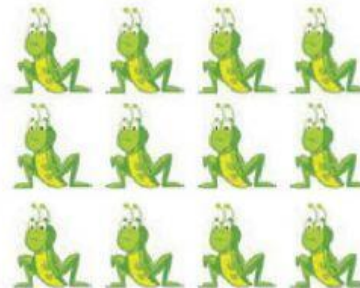

$$\square \times \square = \square$$

colonne $\square$

righe $\square$

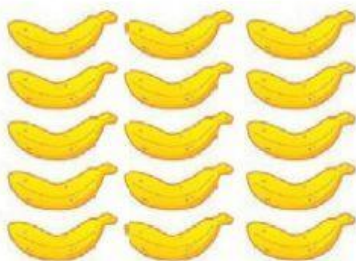

$$\square \times \square = \square$$

colonne $\square$

righe $\square$

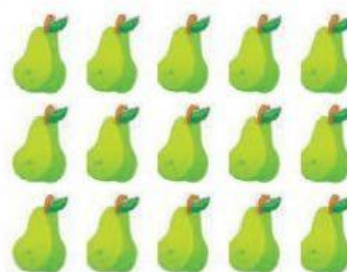

$$\square \times \square = \square$$

colonne $\square$

righe $\square$

$$\square \times \square = \square$$

colonne $\square$

righe $\square$

$$\square \times \square = \square$$
