Birthday Celebration

Last Thursday, Alia celebrated her tenth birthday. Her parents threw a birthday party at their house. Her parents celebrated her birthday with great joy and excitement.

She invited her friends to her party. Her father decorated the whole house with colourful balloons and streamers. Her mother baked a delicious chocolate cake and prepared mouth watering dishes. At 5 o'clock, her friends started to arrive.

Her mother brought a big cake to the living room. Everyone sang birthday song for her. As she cut the cake, everyone clapped. Her friends ate the prepared dishes. Her sister planned some games for them. Alia and her friends played games.

Alia received so much of gifts from her family members and friends. She was extremely happy on that day.
