Read the diary entry below and fill the blanks with the correct answer.

Dear diary,

Tomorrow is my school sports day. I love sports day, but I'm quite nervous. I will be competing in a badminton match. My best friend, Omar, says that it's the easiest game of all. It's easy for him because he is the best badminton player in school. Well, I can't play very well so I don't like it.

Swimming is easier for me than playing badminton. My classmate, Daniel, enjoys swimming too. He was the swimming champion last year. I came in second. I am worried about tomorrow, but I have to try my best. My mum says she believes in me. So, I should believe in myself too.
