

Frogs can grow very big.

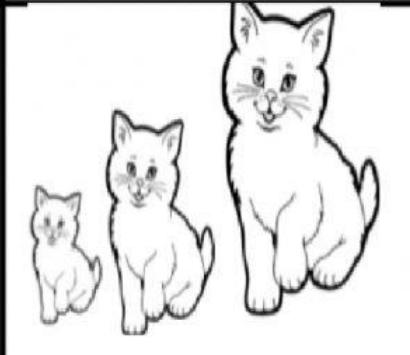

The brim of that hat is not green.

Mom will trim or cut my hair.

That frog will cross the street.

All the frogs like to grin.

Run away, the dog will grab you and eat you.

That frog looks like a truck.

My small cat will grow very big, too.

The frog will drive the truck.

Fran loves her new green dress.

This tree will grow very big.

Grass can grow very tall.
