

Directions: Determine the writer's purpose by noticing details that are used in the sentences.

To entertain

To inform

To persuade

1

Every two years, the World Monuments Fund (WMF) will arrange the meeting to a list of the world's 100 most endangered sites. They are architectural endangered by man-made threat such as climate change and war.

2

The death penalty should be abandoned because it is cruel and inhuman.

3

Pain is a normal part of a physical process that warns us that something is causing us harm – disease, body injury, or inflammation.

4

The best way to survive babysitting a set of triplets is to come armed with plenty of energy, lots of patience, and a first-aid kit.

5

Cloning can occur naturally as known as twins. However, artificial cloning like human cloning that produces copies of a whole body should be banned.

6

Many think a laptop computer helps students increase their chances for interactive learning. Yet in the classrooms I teach, students don't pay attention to my lecture and use laptops to visit social networking sites. For me, laptops are obstacles and should not be used in the classroom.

7

A ship is always safe at shore but that is not what it is built for.

8

Black is modest and arrogant at the same time. Black can be easy but mysterious. Above all black implies that "I don't bother you - don't bother me."

9

When food is not properly digested, it causes a disease called Short Bowel.

10

You should gain more weight. You don't want to suffer from anorexia, don't you?

Name _____ No. _____
