RyLee's Anagram

eat -> tea!

Do you know what an anagram is? RyLee just learned it from school. An anagram is a new word made by rearranging the letters from the existing word. Do you want to try? Remember you cannot add or reduce the number of letters. Type the anagram and click onto the correct picture for each word. The first one has been done for you as an example.

bare

bear

mile

foal

fired

heart

care

lived

pins

silent

pots

melon

lase

act

shore

lamp

break

Bonus Question!

leery
