Reflections of a young boy called Mawi

I've been searching for my passion. I think if I choose to be a businessman, I'll be rich...

But just when I think I have decided on my choice, I am engulfed by a surging need to be a surgeon... and save lives...

When I really think about it logically, I can see now there might be a need for surgeons. To be a businessman or a surgeon? I am amazed my dad seems to be sure what is good for me. Oh well....

But then I still can't decide...I'm confused. I'm told I think too much. As a child, I don't have to think so much about my future...yet! I'm just supposed to go to school and gain knowledge. If I do well in school, I can go to university and achieve my ambition.

Well, never mind. Since today is Saturday, guess I'll just stay home and do my favourite things... Maybe I'll watch TV... read a book, or even play football! Or I could even help dad to wash the car and water the plants.

Family Holiday in Vietnam and Cambodia

The holidays are here! My family and I want to go on a family vacation. My parents love exotic holiday destinations. They want to visit Angkor Wat as it is a UNESCO World Heritage Site.

We've checked out a few tour packages. Wow! There's so many to choose from. There's a six-day tour to Angkor Wat and Ho Chi Minh offered by Lotus Travel and Tours. At RM1649 per person, the tour highlights are Angkor Wat and Tonle Sap Floating Village. There is a boat cruise to visit the village. We get to see floating markets, floating houses and floating schools of Cambodian fishermen. That sounds interesting but my younger sister isn't too keen on it.

I'm excited about the Ho Chi Minh City tour. The tour highlight is the Cu Chi Tunnel, a network of tunnels that were underground cities in the 1960's. we also get to shop at Vietnam's famous Ban Thanh market. My mum will enjoy it!

We can choose from 3 departure dates, 17 November, 25 November and 16 December. There's also another 4-day tour to Ho Chi Minh City which costs less at RM 1249 per person. But we won't get to see Angkor Wat. I'll let my mum and dad decide, I'm so confused now.
