

Listening Activity: City Transportation

Why have you decided to be a flight attendant?
What are the pros and cons of being a flight attendant?
Where are you working now? What are your career plans to the near future?

Listen 1

Listen to the Captain's briefing and choose the correct answer.

- 1 Who does the Captain introduce first?
- 2 What is the Captain pleased to tell the crew?
- 3 What does the Captain ask Rick Schultz to talk about?
- 4 What is the possible weather problem on the flight?
- 5 What should be finished by the time of the weather problem?
- 6 Because of the weather problem, what will the cabin crew try to do?
- 7 What does the Captain want to make sure of?

his colleague	his First Officer
a long flight time	a quick flight time
the weather	the boarding procedures
heavy turbulence	moderate turbulence
main cabin service	PAX check
start meal service late	finish meal service early
that the crew know the cockpit procedures	that the crew know the evacuation procedures

Let's talk

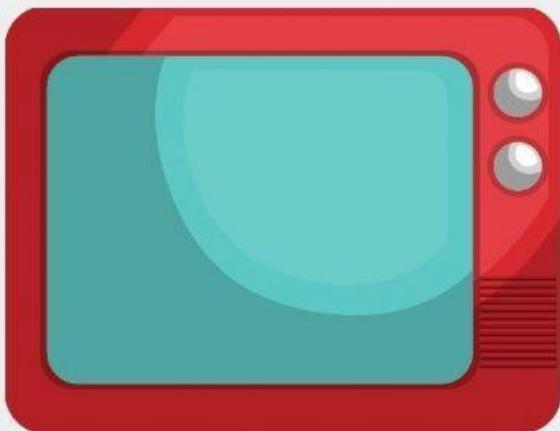

What happens if there is severe weather conditions before take-off?

Have you ever served meal on the ground?

What's the procedure in case of a long take-off delay?

Watch

TRUE	FALSE
<input type="checkbox"/>	<input type="checkbox"/>

She needs no more than 30 minutes for galley preparation

There are enough ovens to heat the meals at once

Only plastic items are allowed for the cockpit service

There are refrigerators in the galley

Practice

After the briefing, the flight attendants board the aircraft.

Write a list of some of the things that flight attendants have to do/prepare before the passengers start to arrive.
