#### What's in a face?

It is said that the eyes are the window of the soul, but did you know that according to the ancient Chinese art of face reading, all your facial (1) \_\_\_\_\_ reveal secrets about your (2) \_\_\_\_\_. In this ancient art, all parts of the face give an experienced 'reader' information. Large eyes indicate that you are generous, while long thick (3) \_\_\_\_\_ above the eyes indicate that you are very wise. Large, flat (4) \_\_\_\_\_ show that you are a good listener, and the type of mouth you have says a lot about your ability to communicate. A large mouth shows that you are probably loud and (5) \_\_\_\_\_ when you speak, whereas a small mouth shows that you may be quiet and (6) \_\_\_\_\_. If your lips are large and thick this indicates that you are honest and loyal. However, if your lips are small and (7) \_\_\_\_\_, don't despair! This means that you will be (8) \_\_\_\_\_ later in life.
