She learns how to harness her powers (4) but fight for the greater good. I am a fan of MCU movies and Captain Marvel was a success at the box-office. (5) Because the plot is pretty predictable, viewers can expect to see action, excellent cinematography, superb film score and humour. Also look out for (6) Stan Lees signature cameo in the movie. Don't leave the cinema as soon as the movie ends. Every MCU fan knows to (7) waiting for the post-credit scene in every Marvel flick. This one will allow you to have (8) the glimpse of what is to come in Avengers: Endgame, the direct sequel to 2018's Avengers: Infinity War.
