

A STRANGE NIGHT

That was a cold and stormy night. **Everybody** went to bed earlier than usual, but I decided to stay in the living room reading my new novel about mystery.

Suddenly, **something** happened in the kitchen, I heard a strange noise. I stood up and went rapidly to see what was happening. I couldn't see **anything** out of the ordinary. **Everything** was calm and quiet. I came back to the living room and kept on reading my book....when I opened the second page, I heard a noise coming from the front window and a shadow disappearing in the night...when I looked through the window I saw **nobody**. It was a very rare night. Every time I tried to read my book **something** inexplicable happened. Was the mysterious novel becoming true??...I examined **everywhere** in the living room, I was trying to find the strange thing that was producing the strange noise but I could find **nothing**...finally, I decided to go to bed and forget about that scary night.

Now, decide if the following sentences are **TRUE** or **FALSE**
