

93 million miles

Jason Mraz

93 million miles from the sun  
People get ready, get ready  
'Cause here it comes it's a light  
A \_\_\_\_\_ light  
Over the horizon into your eyes  
Oh, my, my  
How beautiful  
Oh my beautiful \_\_\_\_\_  
She told me  
\_\_\_\_\_ in life you're gonna go far  
If you do it \_\_\_\_\_  
You'll love where you are

Just know that wherever you \_\_\_\_\_  
You can always come home

\_\_\_\_\_ thousand miles from the moon  
You've come a \_\_\_\_\_ way to belong here  
To share this view of the \_\_\_\_\_  
A glorious night  
Over the horizon is another bright sky  
Oh, my, my  
How beautiful  
Oh my irrefutable \_\_\_\_\_  
He told me  
\_\_\_\_\_ sometimes it may seem

But the absence of the light is a necessary part

Just know, that you're never alone  
You can always come back home  
Oh oh oh, Oh oh oh  
You can \_\_\_\_\_ come back

Every road is a slippery slope  
There is always a hand that you can hold on to  
Looking deeper through the telescope  
You can \_\_\_\_\_ that your home's inside of  
you

Just know, that wherever you go  
No you're never alone  
You will always get back home

Oh oh oh

93 million miles from the sun  
People get ready, get ready  
'Cause here it comes it's a light  
A \_\_\_\_\_ light  
Over the horizon into our eyes
