1 Look, read, and circle.

On Saturday, I went to the mall with my mom. I saw some cool jeans but they weren't 1 cotton / cheap – the 2 price / size was sixty-nine 3 dollars / blanket! I wanted to 4 pay / try on the jeans, but they didn't have my 5 size / price. I bought a 6 blanket / cotton T-shirt. It wasn't expensive – it was five dollars. I also got a new 7 blanket / cotton for my bed. I didn't try on / pay for it. Mom bought it for me.
