

Listen to the following song and complete the blanks with the missing word from the box

do / seeing / sleeping / feeling / wondering / eyes / fall / kiss dream /
Breathing / be / stay / dreaming

"I Don't Want to Miss A Thing"

I could stay awake just to hear you
Watch you smile while you are
While you're far away and
I could spend my life in this sweet surrender
I could stay lost in this moment forever
Every moment spent with you is a moment I treasure

Chorus

Don't wanna close my
I don't wanna asleep
'Cause I'd miss you, baby
And I don't wanna miss a thing

'Cause even when I of you
The sweetest dream would never
I'd still miss you, baby
And I don't wanna miss a thing

Lying close to you your heart beating
And I'm what you're dreaming
Wondering if it's me you're
Then I your eyes and thank God we're together
And I just wanna stay with you
In this moment forever, forever and ever

I don't wanna miss one smile
I don't wanna miss one kiss
Well, I just wanna with you
Right here with you, just like this

I just wanna hold you close
I feel your heart so close to mine
And just here in this moment
For all the rest of time, yeah, yeah, yeah

Chorus
