

PRISMAS Y PIRÁMIDES

Ejercicio 1: Calcula el volumen del prisma, en las dos posiciones.

Área de la base = $(12 \times 3) =$ cm^2 ;

Área de la base = $(5 \times 3) =$ cm^2 ;

Altura = cm ;

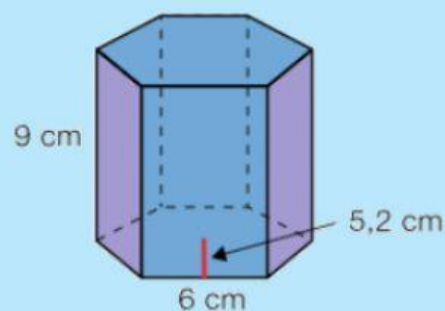

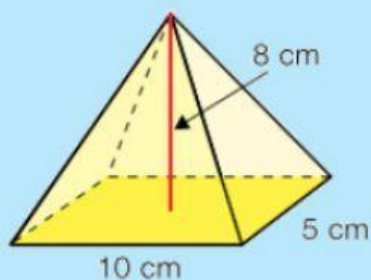

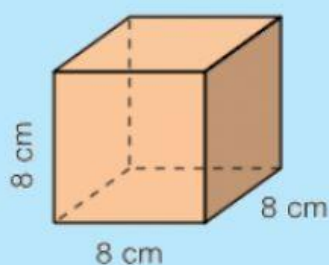

Altura = cm ;

Volumen = cm^3 ;

Volumen = cm^3 ;

Ejercicio 2:

Calcula el volumen de cada cuerpo.

Volumen = cm^3 ; Volumen = cm^3 ; Volumen = cm^3 ;
