Prepositions of place

Write five sentences using prepositions of place according to the picture below.

The illustration shows a living room with a yellow sofa, a coffee table with books, a dog sitting on the floor, a cat sitting on a green chair, a blue backpack, a box of toys, a clock on the wall, and a doorway. The room is decorated with framed pictures and a vase of flowers.

in

on

behind

in front of

e.g 1. The toys are in the box.

1.

2.
