

STRONG ENOUGH

Listen to the song and choose the correct word:

I don't your sympathy
There's nothing you can or do for me
And I don't want a miracle
You'll change for no one

And I hear your reasons why
Where did you sleep last ?
And was she worth it
 she worth it?

'Cause I'm strong
To live without you
Strong
And I quit crying
Long enough
Now strong enough to know
You gotta go

 no more to say
So save your breath and away
No matter what I hear you say
I'm strong enough to
You gotta go

So you misunderstood
Baby, have I got news for you
On being used, I could write the
But you don't wanna hear about it

'Cause I've been losing
And you've been going cheap
And she ain't worth half of me it's
Now I'm telling you

That I'm strong enough
To live without
Strong enough
And I quit crying
Long
Now I'm strong enough to know
You gotta go

Come hell or waters
You'll never see me cry
This is our last , it's true
I'm telling you
