

UNIT 8 LESSON 48

SECTION 1- Read the text below. There are 4 missing headlines in the text. Drag the headlines given in the boxes below to fill in the blanks (A-D). There are two extra headlines given.

Cool Dance Moves

Encourages Happiness

Emphasis on Friendship

Dazzling Music Videos

Catchy, Fresh Tunes

Talented Artists

South Korean pop, better known as K-pop, has received a lot of airplay around the world. K-pop is also extremely popular in Malaysia. Tune in to any radio station in Malaysia and you might hear a K-pop song. Although not everyone understands Korean, most fans enjoy its upbeat music.

HEADLINE A: _____

K-pop is known for its catchy music as the melody is easy to remember. The most popular kind of K-pop music are dance songs. You need not understand the lyrics. You only have to hear the song once, and the melody will be stuck in your head all day long!

HEADLINE B: _____

K-pop stars are not just fantastic singers, but they also make excellent dancers. K-pop dance moves are cool and complicated. So many fans try to learn the dance moves and record themselves performing the dance. Then, they post these videos on social media.

HEADLINE C : _____

Unlike most American artists, K-pop stars receive a lot of training. They develop different kinds of talents during their training. Some K-pop stars speak four or five different languages. Some are great actors while others are talented musicians. They play four or five different musical instruments. K-pop stars tend to work hard to build their unique talents.

HEADLINE D: _____

The most popular K-pop artistes usually form a group. Members of the group are usually good friends. Some K-pop stars in the group are actually childhood friends. On social media, there are many photographs of K-pop stars doing something fun or silly with their group members. Group members always support others because they work together every day.

So put on your earphones and join the K-pop craze! With the wide range of K-pop music styles, you will definitely find catchy tunes that you love.
