

STAR WRITER

Dear Quest team: My name's Barney and I'm from Sydney in Australia.

Sidney is a big city. It's on the coast and there are lots of beautiful beaches and a famous harbour. There are lakes and a river, too. You can see lots of wonderful animals. There are sharks and jellyfish in the ocean, but there aren't any turtles. I like turtles, but penguins are my favourite animals and Sydney has got a penguin colony! It's a great place to live.

Bye,
Barney
