

# Poets of the Fall - Carnival of Rust

D'you breathe the \_\_\_\_\_  
Of your savior in your \_\_\_\_\_ of need  
And taste the blame  
If the flavor should remind you of greed,  
Of implication, insinuation and ill will  
Till you \_\_\_\_\_ lie still  
In all this turmoil  
Before red cape and foil  
Come closing in for a kill  
  
Come feed the \_\_\_\_\_  
'Cause I'm thirsty for your love  
Dancing underneath the skies of lust  
Yeah, feed the rain  
'Cause without your love my \_\_\_\_\_  
Ain't nothing but this carnival of rust  
  
It's all a game, avoiding \_\_\_\_\_  
When true colors will \_\_\_\_\_  
All in the name of misbehavior  
And the things we don't need  
I lust for after no \_\_\_\_\_ can touch  
Touch us anymore  
And more than ever  
I hope to never \_\_\_\_\_  
Where enough is not the same it was before  
  
Come feed the rain  
'Cause I'm thirsty for your love  
Dancing underneath the skies of lust

**Hour**  
**Name**  
**Life**  
**Cannot**  
**Rain**  
**Without**  
**Bleed**  
**Failure**  
**Disaster**  
**Fall**

Yeah, feed the rain  
'Cause \_\_\_\_\_ your love my life  
Ain't nothing but this carnival of rust

Yeah, feed the rain  
'Cause I'm thirsty for your love  
Dancing underneath the skies of lust  
Yeah, feed the rain  
'Cause without your love my life  
Ain't nothing but this carnival of rust

Don't walk away, don't walk away, oh  
When the world is burning  
Don't walk away, don't walk away, oh  
When the heart is yearning  
Don't walk away, don't walk away, oh  
When the world is burning  
Don't walk away, don't walk away, oh  
When the heart is yearning
