3 Work in pairs to answer the questions about the photographs. One of you will be Student A and the other will be Student B. Use the words and phrases in the Language Bank to help you.

Student A: Compare the two photographs. What are the advantages of each sport?

Student B: In the first photo I can see people jogging whereas in the second photo I can see people are playing badminton. The first photo is an outdoor sport and the second photo is an indoor sport. The advantages of jogging is you can do it anywhere whether at a park or by a quiet road where we can get fresh air while we jogging . On the other hand, the advantages of playing badminton is we can play badminton anytime, day or night rain or shine in a hall. Plus, it is fun to play with our friends.

Student B: Do you prefer indoor or outdoor sports?

Student A: I prefer indoor sports because I can play sports anytime. Even on rainy day. I also can protect myself from sun burn.

Student A: I prefer outdoor sports because I enjoy fresh air and nature around me. Besides, it is cheaper than paying fees to use the outdoor facilities.

Student B: Compare the two photographs. Why do you think each sport is popular?

Student A: The common theme of each sports is they can be played with friends and family. Picture C shows skateboarding which is popular among teenagers because its fun learning skateboarding tricks. Whereas picture D shows the sport golf which is popular among older people as it is more of a relaxing sports.

Student A: Do you think it's more important to win or to have fun when you do sport?

Student B: In my opinion, It is important to win as it gives motivation to always be better in sports.

Student B: For me, I think having fun is more important as we play sports mainly to keep fit, relieve stress and socialise with people.
