Dear Joe,

We had a lovely time on Saturday as we spent the day at London zoo.

It was so . I spent a long time looking at the elephants.

They are such beautiful peaceful creatures.

The Penguins and the polar bears were also

.

I wonder if animals get in a zoo?

They seem healthy but are they really happy?

I think it must be to take care of the tigers and the lions.

But they look dangerous and I think I would be afraid.

We were so we had a nice cold ice cream on a beach next to the monkey cages.

The monkeys were very in my ice cream! It was a really enjoyable day.
