

Hi Suzan,

I'm having a wonderful time in Los Angeles. The weather is **1** and drier **2** in England and Americans are friendlier than **3** . The food is better here; it's not the same **4** the food in England at all! From all the countries I've been to, I think English food is the **5** pleasant. It's awful. Yesterday I had the best hamburger I've **6** eaten!

The hotel is beautiful. I think it's not as **7** the hotel we stayed in New York, but it's **8** comfortable. They say that Los Angeles is one of the most expensive cities **9** the world, but actually, I'm not spending **10** money as I thought. I'll phone you when I get back.

Love, Megan.
