All stars Soundtrack from the movie SHREK

..... once told me the world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kind of dumb with her ..... and her thumb
In the shape of an "L" on her .....

Well the years start coming and they don't stop .....
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb

So much to do so much to see
So what's wrong with taking the back streets
You'll never ..... if you don't.....
You'll never shine if you don't glow

finger - go - forehead - game - break - gold - picture - like - Somebody - coming - know - play - swim - show

[Chorus:]
Hey now you're an All Star get your ..... on, go .....
Hey now you're a Rock Star get the ..... on get paid
And all that glitters is .....
Only shooting stars ..... the mold

It's a cool place and they say it gets colder
You're bundled up now but wait 'til you get older
But the meteor men beg to differ
Judging by the hole in the satellite .....

The ice we skate is getting pretty thin
The waters getting warm so you might as well .....
My world's on fire how about yours
That's the way I ..... it and I never get bored
