

Práctica formativa

Grado: 1°

$$5 + 5 = 10$$

$$2 \times 5 = 10$$

$$4 + 4 + 4 = 12$$

$$3 \times 4 = 12$$

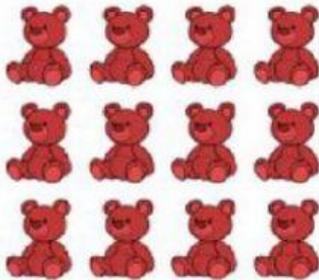

1.

$$\square + \square + \square + \square + \square = \square$$

$$\square \times \square = \square$$

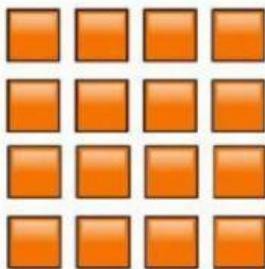

2.

$$\square + \square + \square = \square$$

$$\square \times \square = \square$$

3.

$$\square + \square + \square + \square = \square$$

$$\square \times \square = \square$$
