

Look at the sentences from the first paragraph of an essay answering this question.

'The camera has changed the way we look at the world and the way that we celebrate special occasions.' To what extent do you agree with this statement?

The beginnings of the sentences are mixed up, but the endings are in the correct order.

Match the beginnings (a–g) to the endings (1–7).

- | | | | |
|--|-------|---|--|
| a Unfortunately, <u>this</u> can often interfere | | 1 | has brought many changes to our lives. |
| b However, it is also true that the photographs record the event | | 2 | the way we see and experience the world. |
| c But has the photograph become | | 3 | and use <u>it</u> to create photographic records of their experiences. |
| d The invention of the camera | | 4 | more important than the event or experience it is recording? |
| e On important occasions such as weddings, | | 5 | cameras often have a primary role. |
| f One of <u>these</u> is | | 6 | with the enjoyment of the occasion. |
| g Most adults in this country have a camera these days | | 7 | so that it can be remembered in the future. |

Look at the underlined words. What do they refer back to?
