NAME: _____ DATE: _____

It's Time to Plant a Garden, LEADers!

Read the POEM and then answer the questions.

Planting Seeds

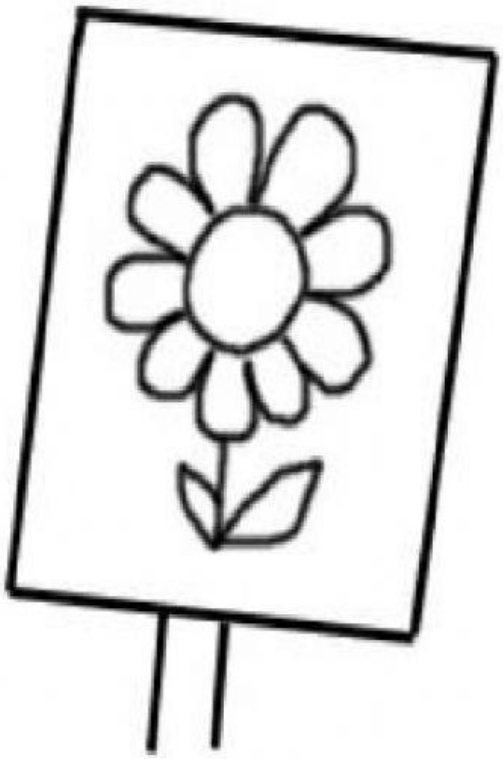

LIVEWORKSHEETS

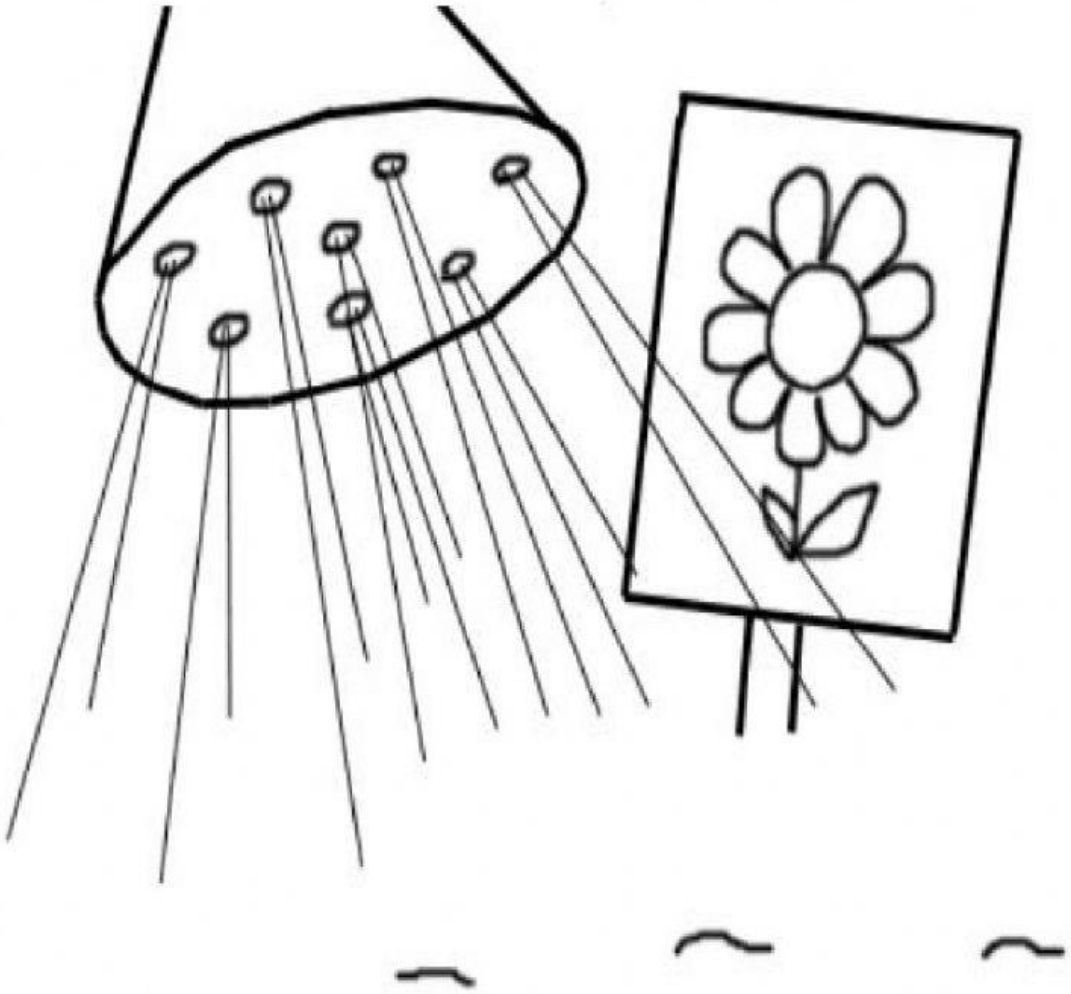

Plant a flat seed in the ground.
Now you pat it all around.

LIVEWORKSHEETS

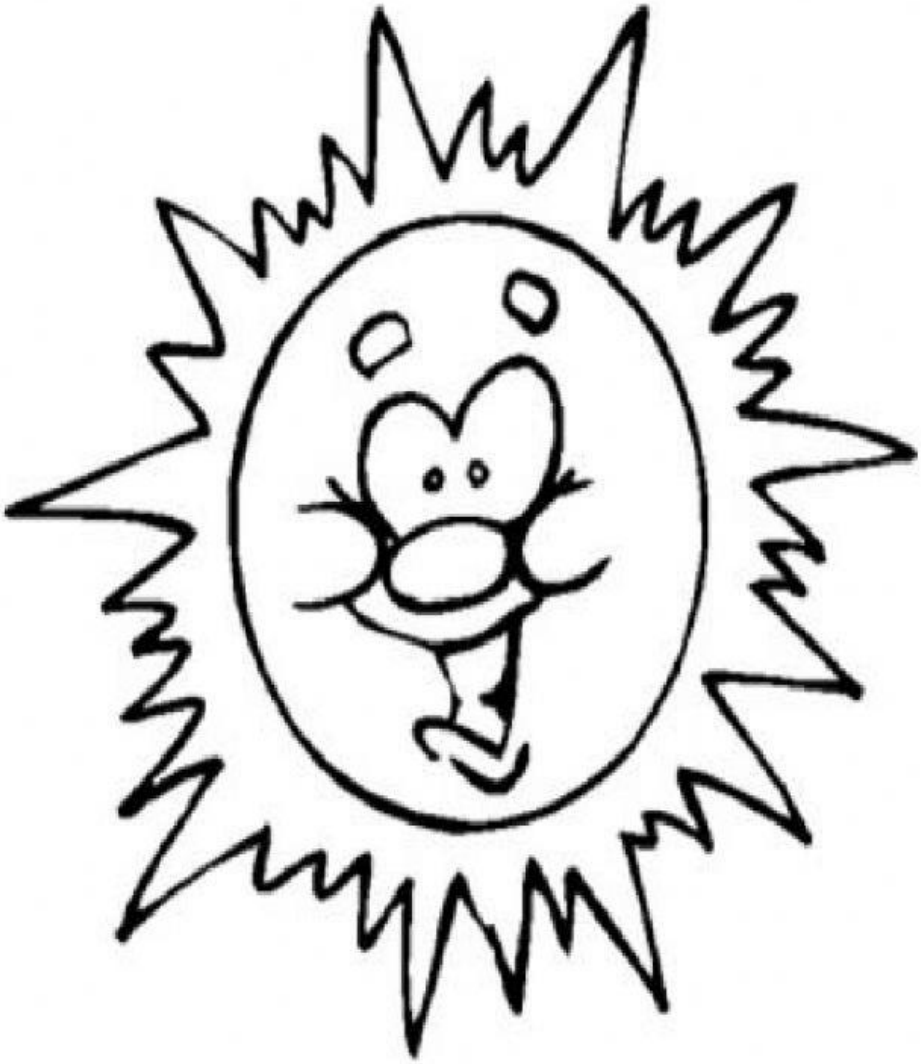

Use your hand to pat it flat.
Place a marker where it's at.

LIVEWORKSHEETS

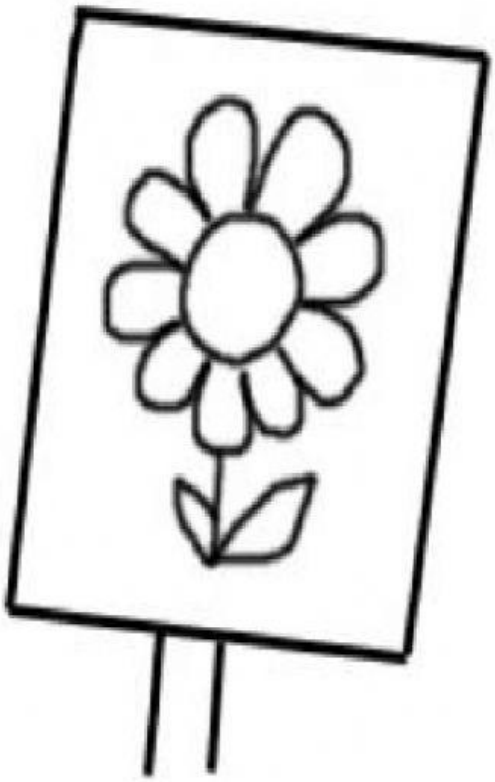

Water it and wait for sun.
Planting seeds is always fun.

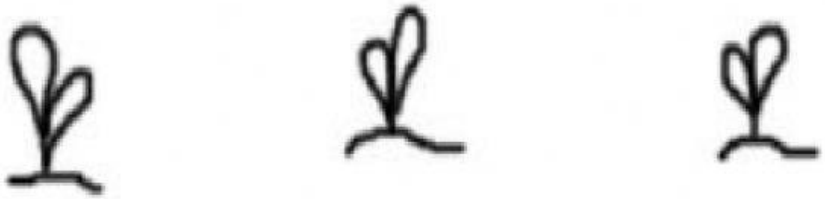

LIVEWORKSHEETS

Water your seed every day.
Leave it in the sun's bright ray.

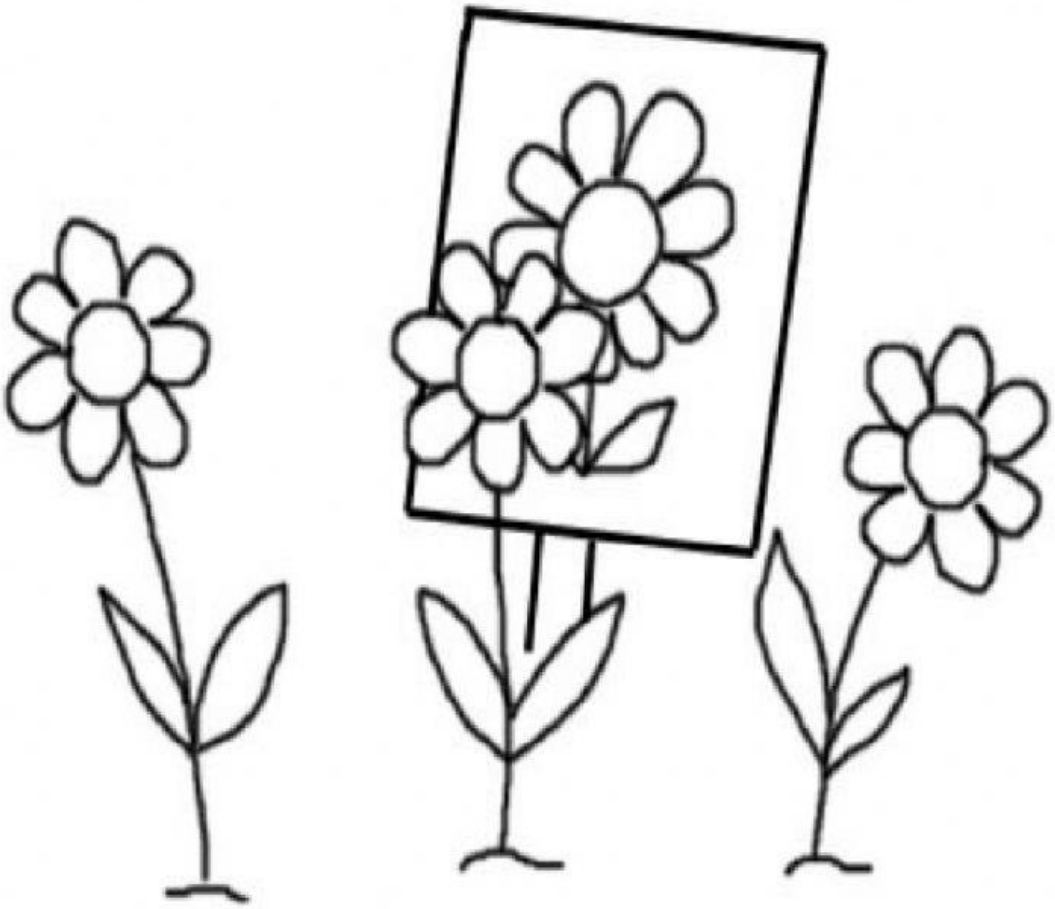

LIVEWORKSHEETS

Soon a little bud will show.
When you see it, you will know.

LIVEWORKSHEETS

Soon your seed a plant will be.
Something nice for you and me.

LIVEWORKSHEETS

Fill in the blanks with the correct words from the WORD BANK.

After you plant the seed, you _____ it all around.

Use a _____ to show where the seed is in the ground.

Plants need _____ and _____ to grow.

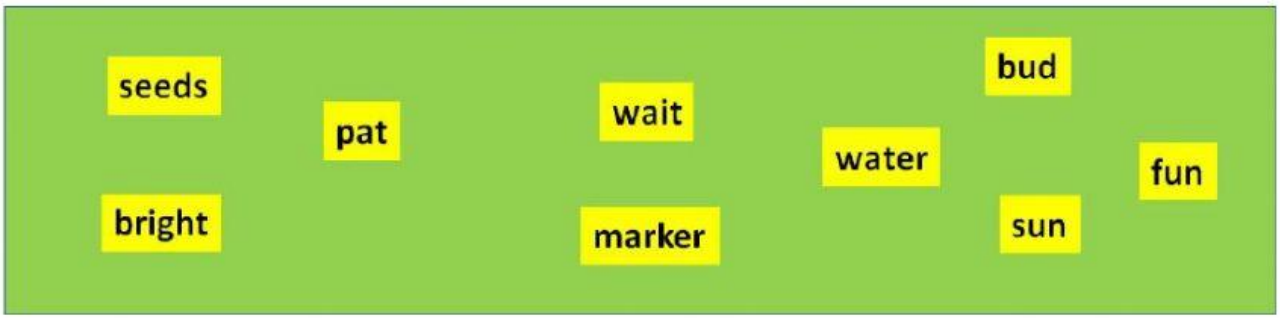

We must _____ for them to grow.

Planting seeds is _____ !

The sun's rays are _____ .

A _____ will grow from the ground.
