

Name: _____ Date: _____

Subject: Science Topic: Electricity & Magnets Language Review Worksheet
Grade: 3

CRITERIA B _____%

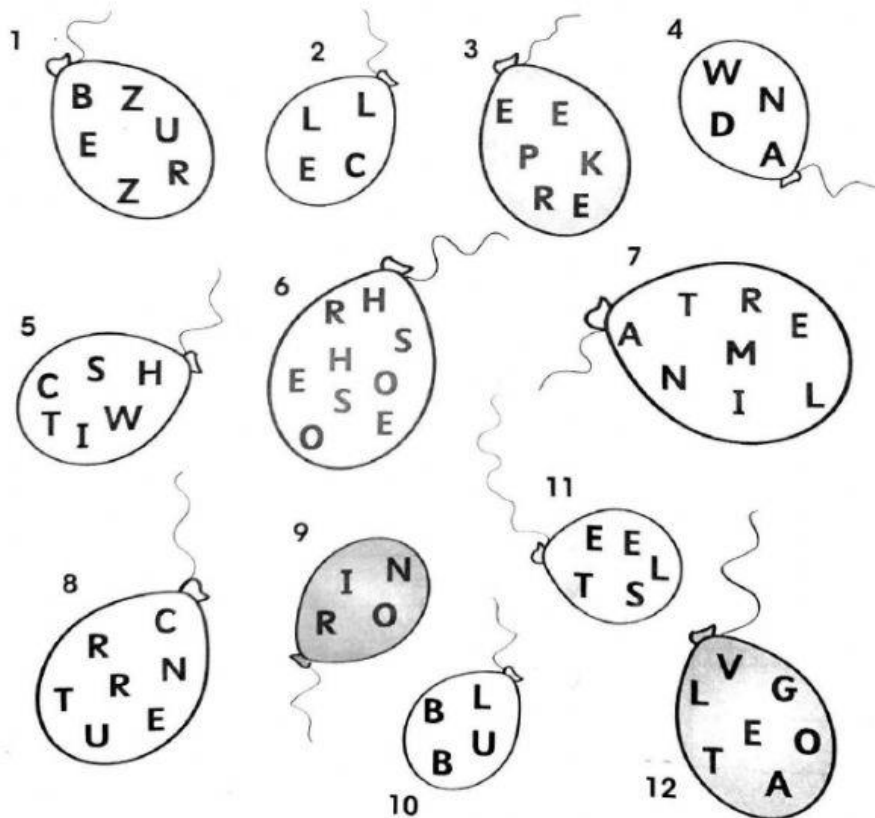

CRITERIA F _____%

CRITERIA C _____%

CRITERIA G _____%

This exercise checks that you understand the scientific words used in this unit. Look at the balloons below. Each balloon contains a key word from this unit. The letters are scrambled.

Unscramble the letters in balloons 1-12. Write the words next to the number on the next page.
