

My name is: \_\_\_\_\_

## WORKSHEET

### Task 1: Make the sentences using comparative adjectives:

1. Lan / tall / Hoa
2. This book / new / that book
3. The chair / expensive / the table
4. These boxes / big / those boxes
5. Miss Trang / beautiful / her sister
6. These buildings / old / those buildings
7. The boys / intelligent / the girls
8. I / old / my brother
9. My house / modern / his house
10. Maths exercise / difficult / English exercise

### Task 2: Read and answer the questions:

The Smith family has got three children. One girl and two boys. The boys' names are James and Jonathan. The girl's name is Judy. James is twelve years old. Jonathan is ten years old, and Judy is eight. Jonathan is taller than James. James is taller than Judy. Jonathan is fatter than Judy. Judy is fatter than James. They like playing together, and they like animals, too. Jonathan's favorite animal is whale. James's favorite animal is dolphin. The whale is bigger than the dolphin. They love animals and they protect them.

1. Who is younger than Jonathan?
2. Who is older than Jonathan?
3. Who is taller than James?
4. Who is taller than Judy?
5. Who is fatter than James?
6. What is smaller than Whale?
