

CLIL: BRAVE PEOPLE IN HISTORY

Before you read

Think and name a brave
person in history _____

Read

Junko Tabei

Junko Tabei was a mountain climber from Japan. When she was a girl, Junko was hard-working. Her university degree was in English and American Literature, but her ambition was to climb mountains. She was the first woman to climb Mount Everest.

Fact: Mount Everest is 8,848 metres high. Climbers usually climb it in 40 days.

Neil Armstrong

Neil Armstrong was an astronaut from the USA. When he was a boy, his favourite toys were planes. His ambition was to be a pilot. When Armstrong was 38, he was the first person to walk on the Moon.

Fact: The Moon moves 3.8cm away from the Earth every year.

Roald Amundsen

Roald Amundsen was an explorer from Norway. When he was a boy, he was very sporty. His hobby was exploring. His ambition was to go to the North and South poles. He was the first person to visit the South Pole.

Fact: Summer at the South Pole is from September to March, but it isn't hot! The temperature is about -25°C.
