Somebody That I Used to Know

Now and then I think of when we together
Like when you said you felt so happy you could
Told myself that you were right for me
But so lonely in your company
But that was love and it's an ache I still

You can addicted to a certain kind of sadness
Like resignation to the end, always the end
So when we that we could not make sense
Well, you said that we would still be friends
But I'll admit that I was glad it was over

But you have to cut me off
Make out like it never happened and that we were nothing
And I don't even your love
But you treat me like a stranger and that feels so rough

No, you to stoop so low
Have your friends collect your records
And then your number
I guess that I don't need that though

Now you're just somebody that I know
Now you're just somebody that I used to
Now you're just somebody that I used to know

Now and then, I of all the times you screwed me over
But had me believing it was always something that I'd done
But I don't wanna live that way
Reading into every word you
You said that you could let it
And I wouldn't catch, you hung up on
Somebody that you used to know

But you didn't have to cut me off
Make out like it never happened and that we were nothing
And I don't even need your love
But you treat me like a stranger and that feels so rough

And you didn't have to stoop so low
Have your friends collect your records
And then change your number
I guess that I don't need that though
Now you're just somebody that I used to know

Somebody (I used to know)
Somebody (Now you're just somebody that I used to know
