THERE ARE SO MANY THINGS I WOULD LIKE TO BE,
MAYBE I'LL HAVE TWO JOBS, OR EVEN THREE.

I WOULD LIKE TO BE A PILOT
I COULD BE A BAKER
OR MAYBE I'LL BE A CARPENTER
OR A FIREFIGHTER WHO DRIVES

A BIG FIRE TRUCK THAT'S RED
WHO MAKES BOOKSHELVES AND BEDS
AND MAKE BREAD AND PIES
AND FLY UP IN THE SKY

Nikki Evans is a car mechanic in London. She used to be a librarian. We asked her why she decided to work with cars. "My first reason was independence. I wanted to have my own place", she said. "I also wanted to use my hands, I like to learn how things work and I just love car engines."

Nikki didn't find it easy to become a car mechanic. She had to attend a Skills Center. A Skills Center is a special kind of school where people can learn a new job in twenty weeks. She tells us about it:

"It was very tiring: from eight in the morning to five in the evening with only thirty minutes for lunch. But I learnt a lot!"

Now Nikki has her own vehicle garage in London. She really enjoys fixing cars and tyres.

Sebastian Yatra was born in Colombia on October 15th, 1994. He is one of Latin America's top stars and is very popular internationally. He speaks fluent Spanish and English. He enjoys travelling around the world and meeting new people in each place. His job can be stressful because his life is very public and all people want to know everything about him. He always travels with a choreographer, a sound technician and his manager. He writes his own songs. He has sold many albums worldwide and has won music awards.
