My brother and I wanted some on Sunday, so we decided to go on a walk. There's a big near the town where there are supposed to be wonderful birds and . We a bus there and along a forest trail for about four hours. It was tiring because it was a really hot day. The thing was, we never any wild birds or butterflies! I don't we'll go there again.

I went to my friend's party on Saturday . I don't always going to birthday parties because you often have to play games and things. Well, we did have to play all of stupid games, but I really enjoyed . I guess it was because the people at the party were all . And there was good too. Somebody along some dance music, and everyone had a great time . I didn't get until after 2 a.m.
