

### READING

Hi, my name is Alina. I'm 14 years old. I'm from Uruguay but I live in Argentina.

At school we have a new subject called Media Studies, my favourite subject now. It's really interesting because we talk about music, films and we have lots of fun. We have lessons three times a week. Our lessons start at 9:30 in the morning and finish at 11. On Fridays we usually watch a film in class and then we discuss about it.

Last Friday we saw "*The Addams Family*". It was fantastic! I love this film because it's very funny and I'm very similar to one of the characters, *Wednesday (Merlina)*. We have long black hair. She has black eyes but my eyes are dark green. Our favourite colour is black. We always wear black clothes and black shoes. Wednesday is strong and she can do judo. She also dances ballet and she likes painting strange pictures. Wednesday has a pet, Homer. It is a spider pet!

Wednesday lives with her family in a dark mansion. They are a very special family!
