LISTENING AND SPEAKING

Part A: Listen and complete the speech below.

Children,

At this school, safety is everyone's responsibility. To stay _____(1), you need to be cautious at all times. Today, I would like to remind you about the school safety _____(2) again.

Rule No. 1: Do not run around in the _____(3). Do not jump on a chair or desk, hit others and fight with your friends.

Rule No. 2: Do not play or run at the _____(4). Do not push others when walking up or down the stairs. Walk slowly and carefully.

Rule No. 3: Wear the proper attire when having PE activities. Wait for your teachers to take you to the _____(5). Do not play far away and go near the bush.

Rule No. 4: Do not go into the _____(6) without permission. While you are in there, do not touch chemicals or apparatus unless you are told to do so. Report to your teacher immediately if there is any accidents or injuries occurred.

Rule No.5: Cross the _____(7) at the zebra crossing. Before you cross it, watch out for vehicles coming, and once the traffic light turns red, wait for our security guard as he will help you cross the road.

Rule No.6: Wait for your parents to come and pick you up. Stay at the _____(8) with your friends. If there are strangers coming, inform the security guard right away.

Rule No.7: Do not stand very close to the _____(9). Watch your steps before getting your parent's car or vans.

Rule No.8: Do not come to school alone at _____(10). Make sure your family members accompany you. Always walk on the sideway facing the traffic.

Remember, the school safety rules help create a safe environment for you. I hope you can follow them.
