TOPIC : HOW TO BE A GOOD NETIZEN

A. Read the information below.

How to be a Good Netizen

1 Respect

Even if you do not see the person face-to-face, you are communicating with real people with feelings.

2 Think

Do not rush to e-mail back or post something on a forum. Take your time to read any messages, and think about the best way to respond.

3 Communicate

Just Like Us

Just like us, their mothers love them so,
Just like us, protect them as they grow,
Just like us, daughters and sons
With a life of their own, each and every one,
Just like us, their hearts beat strong and true,
Under feathers, fine or fur,
Or skin like me and you.
Just like us, found from fresh and bone,
They're just like us, when all is said and done,

Spellcheck and proofread before sending or posting any status. Your quality of writing is important as it is a reflection of you.

4 Protection

Stay away from spam and pop-up advertising for security reasons. Do not share personal information or respond to personal questions. Guard your privacy and respect others.

5 Honesty

Tell the truth in your profiles. Do not lie about yourself to others.
