**A. Read the passage and match the phrases.**

Last year, my family and I went to Perak for a holiday. We went to see the famous Kellie's Castle located in Batu Gajah, Perak. This unfinished castle was built by William Kellie Smith for his wife in 1915. He was not able to complete the building of the castle because he died after being struck down by pneumonia

The castle is believed to be haunted by the family it was built for. Today this castle is popular with tourists.
