It's been seven hours and fifteen days
since you took love away
I go out every night and all day
since you took love away
since you've gone I can do whatever I want
I can see whomever I
I can eat my dinner in a fancy
but nothing
I said nothing can away these blues,
'cause nothing compares
nothing compares to you
It's been so lonely without you here
like awithout a song
nothing can these lonely tears from falling
tell me baby where did I go?
I could put my arms round every boy I
but they'd only remind me of you
I to the doctor guess what he told me
guess what he told me
he said girl you betterto have fun
no matter you do
but he's a fool
All the that you planted mother
in the backyard
all died when you went away
I know that living with you, baby, was sometimes hard
but I'm willing to it another try
