Script of the Video : 'Cookie Recipe"

Kim : Hello, and welcome to Kim's Kitchen. Today I'm going to show you a simple recipe for cookies. Let's start with the ingredients. You will need a cup of flour, one and a half spoon of baking powder, eight ounces of butter, one a half cups of sugar, and one egg. First, mix the flour and baking powder in a bowl. Then in another bowl, mix sugar and butter. Next, add the egg and blend in the mixture from the first bowl. Finally, use a wooden spoon to put balls of cookie dough onto a baking tray. And bake in the oven for ten minutes allow the cookies to cool for a few minutes. But don't eat them all at once.

Task A : Understand the video carefully. Match what you need 'picture' when you are doing the activities.
