One Direction
Take Me Home

1 ☐

Take me Home is the second album by the British pop group One Direction. It was released in November 2012 and was one of the bestselling albums of the year. In fact, over one million copies were sold in a single week! It's no surprise, then, that One Direction is the most popular boy band of the 21st century and the winner of over 50 music awards!

2 ☐

The album contains 13 fantastic tracks that are a mixture of pop and rock music. The opening song, 'Live While We're Young', is fun and great to sing along to! It is followed by the album's highlight, 'Kiss You', which has excellent lyrics and an awesome beat. Indeed, many of the tracks are well written and sung beautifully by the talented band. And with a good number of fast and slow songs, listeners are sure to keep coming back for more!

3 ☐

This amazing CD has certainly proved to be a huge hit across the world. Each song is unique, with some of them being particularly unforgettable. If you're a fan of pop music, then this album is definitely for you. It's well worth taking home!
