

Unit 6: Go Green

The mind map below shows ways to save Mother Earth. By referring to the mind map, listen to the questions given by your mentor and answer accordingly.

Drag and drop the correct answer in the box:

1. Based on the mind map, what is the main idea?
2. According to the mind map, what takes a long time to decompose?
3. How long does it take to decompose a plastic bag?

Write your answer:

4. Other than reducing the use of plastic bag, what else can we do to help our planet?

5. Is it important to save our planet? Why?
