### ADVANCED SOUND SYSTEMS

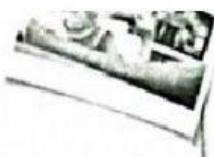

A: What sound system do you have with your TV?  
B: We have a home-theater surround sound system that allows us to hear real-life sound effects.  
A: What real-life sound effects can you hear with your sound system?  
B: When I watch a movie, and someone opens a door, it is like a door is being opened right behind me.  
A: Why do you think home-theaters are so popular?  
B: They are popular because they create a life-like, rich sound that lets you enjoy the movie more fully.

### TYPES OF TELEVISIONS

A: What kind of TV do you have?  
B: We have a huge plasma TV.  
A: How big is your plasma television?  
B: It is over fifty inches wide.  
A: What are the advantages of having this kind of TV?  
B: The advantages are that everything looks really clear. It's much better than on my small, old television.
