FAÇA UM X NA LETRA DO SEU NOME

The diagram shows a standard QWERTY keyboard layout. The top row includes function keys F1 through F12 and special keys like Print Screen, Scroll Lock, and Pause Break. The main keyboard area has rows of letters (A-Z) and numbers (0-9). Special characters are located above the letters. The bottom row includes the Shift key, Caps Lock, Ctrl, Alt, and the Enter key. A red-bordered box labeled "ESCREVA SEU NOME AQUI" is positioned over the keyboard area.
